

The Ins and Outs of Affiliation

2022-2023 Arkansas FCCLA Webinar Series: Session 1

Welcome!

Welcome to the first of our FCCLA Webinars this school year! During this webinar we will be discussing the affiliation process, packages, rewards, and walking through how to update and navigate the FCCLA Portal to affiliate your students.

A bit of housekeeping first,

This webinar should last 1 hour give or take.

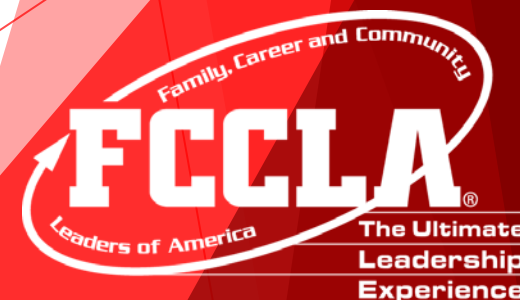

Please use the chat for questions you may have.

These will either be addressed as I see them, or at the end during the Q&A Session.

Each of you will be muted, with the inability to unmute yourself during the presentation. You will have the ability to unmute once we begin the Q&A.

Be listening for the code word to email to Bethany.leonard@ade.arkansas.gov to receive PD credit for this webinar!

One hour of professional development will be awarded to individuals who have registered and are present throughout this session. Viewing the recording of this webinar after the fact will not count towards PD credit.

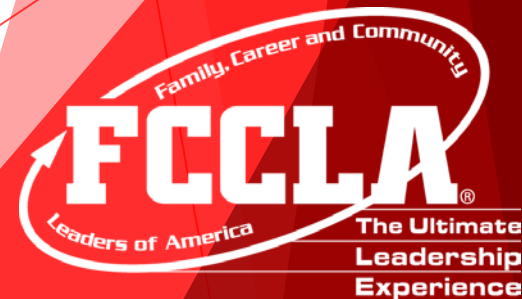

What is Affiliation?

Affiliation is the process of adding students into your chapter, submitting these students to both State and National FCCLA, and submitting payment for these students (and advisers).

Successfully submitting your affiliation is how you become an Active chapter.

In Arkansas, an active chapter consists of at least 12 students and 1 adviser being affiliated. The system will automatically charge the affiliation rate for 12 students even if there are not 12 names listed. Each active adviser will be added to the affiliation as well. We highly encourage you to add in 12 names each year to fill these spots.

Affiliation is not complete until payment has been received and processed by National FCCLA.

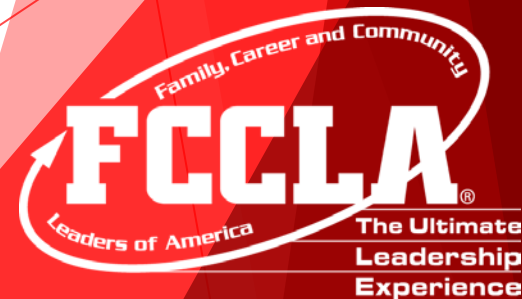

Why Should You Affiliate?

When you affiliate you will gain and retain access to several resources that are located on the portal.

Competitive events guides, National Programs resources, National publications, lesson plans & answer guides, membership materials, and much more!

Chapters that are affiliated by the Arkansas deadline you will be eligible for District, State, and National Level trips, competitions, and recognition/rewards.

In Arkansas, having an affiliated chapter of the CTSO related to your Program of Study is a required portion of the Program Approval process.
